## ANCIENT GREEK WISDOM BY GEORGE STOUKAS

“Ancient Greek Wisdom by George Stoukas is the successful result of a concentrated effort to bring to life thought and achievements of both the better and lesser known of the great intellectual figures of Greek antiquity.

Whether you plunge in anywhere or read the book straight through, the result is the same. In either case you will be taken on a tour of the ancient Greek mind, profound and witty, sublime and savage, capable of the greatest feats of love as well as the worst of treachery. ”

– Glenn Statile, Ph.D. St. John’s University

“Greece is not only the land of democracy, but also the caretaker of the mind and the soul of civilization”  
– Dr. Sam Chekwas
